I believe in style without compromise, but I understand that with the busy lives we lead, it's not always easy to visit a salon, so I bring the best salon experience to you.

I am a top stylist and have been in the hairdressing industry for 28 years, Cutting, Colouring, Foils, GHD curling, perming and much, much more... you will only get the best, all in the comfort of your own home.*

Give me a call today to book your appointment, or if you have any enquiries or just need some advice, I am always happy to help.

** All clients booking for a full head, root or semi colour will need to have a patch test 48 hours before their appointment.*
